INTERNSHIP COMPLETION LETTER

Date: 05-02-2026

To Whom It May Concern,

This is to certify that **Amit Kumar Patel** has successfully completed their Full Stack Developer internship at Sheryians Coding School, Bhopal.

The internship was undertaken from **04-Nov-2025 to 04-Feb-2026**, during which the student demonstrated dedication, creativity, and a willingness to learn. Throughout the internship, He contributed to developing secure authentication and communication workflows by implementing a complete Forgot and Reset Password system with email-based verification and time-bound reset links. Improved the application dashboard by fixing UI and job apply flow issues, and refactored the email service into a modular structure with enhanced email templates. Played a key role in building the Job Application, Job Questions . Mostly working on AI Test modules, including controlled test enrollment, single-attempt validation, and a full-featured test interface with question navigation, review marking, progress tracking and tested AI Test module multiple time with over 100 test cases. Strengthened system reliability through extensive testing, documentation, and active collaboration in debugging and team support. Now i have done UI of admin_job_management from scratch where i build home page of job-management and then created share job page from scratch .

We appreciate the efforts and enthusiasm shown by **Amit Kumar Patel** during the internship period and wish him great success in all future endeavours.

Authorized Signatory

Dhanesh Malviya

Director, Sheryians Coding School
